

## Quality Statement

Sprint Applied Technology is committed to ensure that all delivered products, finished equipment and services are supplied to our customers in a safe, proficient, timely and economic manner.

To achieve this goal:

- A Quality Assurance Manual that precisely describes a system, which ensures quality of finished equipment and services, will be adopted.
- Managers shall ensure that the employees are fully familiar with the Company's quality statement and quality assurance system
- All employees will be actively and effectively involved in applying the best practices as outlined in details of best practices manuals.
- Copies of the Quality Procedures shall be made accessible to all personnel and employees.
